

## THE PATHWAYS HUB IN SOUTH OAK CLIFF

---

### OUR MISSION

---

Together We Thrive Beyond turns uncertainty into opportunity by helping young adults build stable futures through career pathways, unwavering support, and hope for what's possible.

### OUR VISION

---

A future where young adults, once they discover their path and purpose, are equipped with trusted relationships, endless opportunities, and the confidence to build stable, purpose-filled lives.

### THEIR PATH

---

Life Coaches walk with young adults on the specific path for their personal success. At The Pathways Hub, young adults can learn a trade, have real support, gather as a community, and find a place where they can thrive on Stella Avenue.

## **WAYS TO PRAY**

# 1

Please pray for leadership, wisdom, support, and provision as we venture into something brand new with Together We Thrive Beyond: The Pathways Hub! God has started the work at 832 Stella Avenue and we know He is faithful to do more than we can think or ask. Join us in praying for unity, clarity, and boldness as we serve our community.

# 2

Pray for our Life Coaches as they enter a new school year serving middle and high school students, students experiencing homelessness, and young adults navigating life beyond graduation at The Pathways Hub. Please pray for their strength, compassion, love, patience, joy, and endurance!

# 3

Pray for the success of every youth and young adult we encounter and have the opportunity to serve. Please pray that youth find hope, healing, direction, and support through our team. Many of these youth are processing trauma, experiencing homelessness, and other major hardships in their lives. Pray that our support will change the trajectory of their lives and that they can find stability and success!

# 4

Please pray for the South Dallas community that is home to our new Pathways Hub. Join us in praying for the good of this neighborhood and for the thriving of our neighbors. Please pray that our team will be able to listen and receive feedback from the community on how best to serve and care for young people together. Pray that our building would be a place of joy, celebration, and pride for our community.
